Pony League Information

The teams will be divided in March. Practices will begin in March/April. Games will begin mid/end of May.

Teams will play **EVERY Monday and Wednesday night, we do not play on the week-end to accommodate the select teams. We want to make the pony league available so everyone can play both league and select team.**

The season is over by mid July with the league tournament, which will not conflict with the USSSA state. Travel is required for league play.

No metal spikes will be allowed
